REJUVENATE FROM HEAD TO TOE

SilkPeel™ Dermalinfusion™'s BODY system offers multiple modalities for improving skin imperfections and tone all over the body. Be it acne, stretch marks, chronic dryness, sagging skin or cellulite- the BODY system's adjustable settings enable the delivery of targeted solutions at the appropriate depth for a range of skin types and conditions. The SilkPeel™ Dermalinfusion™ BODY procedure is effective as a standalone treatment or as a complement to a variety of other body procedures.

SHAPE - CELLULITE

Deep lymphatic massage improves the appearance of cellulite and the structure of the body's skin - painlessly.

CLARIFY - ACNE, SUN SPOTS, STRETCH MARKS

Targeted topicals are infused deep into the skin, helping to improve some of the most frustrating skin imperfections affecting the body.

POLISH - ROUGHNESS, DRYNESS, DULLNESS

Diamond-plated treatment heads exfoliate dead skin cells, revealing softer, healthier, more radiant skin immediately.

TIGHTEN - ELASTICITY

Combination therapy helps to restore elasticity to limp and sagging skin.

In addition to SilkPeel™ Dermalinfusion™'s suite of high-performing topical solutions, a choice of treatment heads enables the operator to more precisely target problem areas.
