This Notice of Privacy Practices describes how we may use and disclose your protected health information (PHI) to carry out treatment, payment or health care operations (TPO) and for other purposes that are permitted or required by law. It also describes your rights to access and control your protected health information. "Protected Health Information" is information about you, including demographic information, that may identify you and that relates to your past, present or future physical or mental health or condition and related health care services.

USES AND DISCLOSURE OF PROTECTED HEALTH INFORMATION: Your protected health information may be used and disclosed by your physician, our office staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, to pay your health care bills, to support the operation of the physician's practice, and any other use required by law.

TREATMENT: We will use and disclose your PHI to provide, coordinate or manage your health care and any related services. This includes the coordination or management of your health care with a third party. For example, we would disclose your PHI, as necessary, to a home health agency that provides care to you. Or, your PHI may be provided to a physician to whom you have been referred to ensure that the physician has the necessary information to diagnose or treat you.

PAYMENT: Your PHI will be used, as needed, to obtain payment for your health care services. For example obtaining approval for a hospital stay may require that your relevant PHI be disclosed to the health plan to obtain approval for the hospital admission.

HEALTHCARE OPERATIONS: We may use or disclose, as needed, your PHI in order to support the business activities of your physician's practice. These activities include, but are not limited to, quality assessment activities, employee review activities, training of medical students, licensing and conducting or arranging for other business activities. For example, we may disclose your protected health information to medical school students that see patients at our office. In addition we may use a sign-in sheet at the registration desk where you will be asked to sign your name and indicate your physician. We may also call you by name in the waiting room when your physician is ready to see you. We may use or disclose your PHI, as necessary, to contact you to remind you of your appointment.

AUTHORIZATION: We may use or disclose your PHI in some situations without your authorization. These situations include: As Required By Law, Public Health issues as required by law, Communicable Diseases, Abuse or Neglect, Food and Drug Administration requirements, Legal Proceedings, Law Enforcement, Coroners, Funeral Directors, Organ Donation, Research, Criminal Activity, Military Activity, National Security, Workers' Compensation, Inmates Required Uses and Disclosures. Under the law we must make disclosure to you and when required by the Secretary of the Dept. of Health and Human Services to investigate or determine our compliance with the requirements of Section 164.500.

OTHER PERMITTED AND REQUIRED USES AND DISCLOSURES will be made only with your consent, authorization or opportunity to object unless required by law.

YOU MAY REVOKE THIS AUTHORIZATION at any time, in writing, except to the extent that your physician or the physician's practice has taken an action in reliance on the use or disclosure indicated in the authorization.

THE FOLLOWING IS A STATEMENT OF YOUR RIGHTS WITH RESPECT TO YOUR PROTECTED HEALTH INFORMATION.

YOU HAVE THE RIGHT TO INSPECT AND COPY YOUR PROTECTED HEALTH INFORMATION. Under Federal Law, however, you may not inspect or copy the following records: psychotherapy notes, information compiled in reasonable anticipation of, or use in, a civil, criminal or administrative action or proceeding and protected health information that is subject to law that prohibits access to protected health information.

YOU HAVE THE RIGHT TO REQUEST A RESTRICTION OF YOUR PROTECTED HEALTH INFORMATION. You may also request that any part of your PHI not be disclosed to family members or friends who may be involved in your care or for notification purposes as described in the Notice of Privacy Practices. Your request must state the specific restriction requested and to whom you want the restriction to apply. Your physician is not required to agree to a restriction that you may request. If your physician believes it is in your best interest to permit use and disclosure of your PHI, your PHI will not be restricted. You then have the right to use another Healthcare Professional.
