I understand that I have certain rights to privacy regarding my protected health information. These rights are given to me under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). I understand that by signing this consent I authorize you to use and disclose my protected health information to carry out:

- Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment);
- Obtaining payment from third party payers (e.g. my insurance company);
- The day-to-day healthcare operations of your practice.

I have also been informed of and given the right to review and secure a copy of your Notice of Privacy Practices, which contains a more complete description of the uses and disclosures of my protected health information and my rights under HIPAA. I understand that you reserve the right to change the terms of this notice from time to time and that I may contact you at any time to obtain the most current copy of this notice.

I understand that I have the right to request restrictions on how my protected health information is used and disclosed to carry out treatment, payment and health care operations, but that you are not required to agree to these requested restrictions. CONSENT FOR TREATMENT: I hereby grant authority to the dentist(s) in charge of the care of the patient whose name appears on this Health History form, to administer such anesthetics, analgesics, sedatives, nitrous oxide sedation and intravenous sedation; and to perform such operations as may be deemed necessary or advisable in the diagnosis and treatment of this patient. I have been informed of all possible complications of the procedures, anesthetics and/or drugs.

YOUR RIGHTS

Financial Policy

Our primary goal is to not allow the cost of treatment to prevent you from benefiting from the quality care you need or desire. In our office, we strive to maximize your insurance benefits and make any remaining balance easily affordable.

Our fees are based on the quality of materials we use and the time, effort and skill required in performing your needed treatment. We charge what is usual and customary for our area. Our financial coordinator will assist you with your benefit eligibility before treatment to help you calculate your costs and maximize your insurance. We will be sensitive to your financial circumstances and do everything possible to help you achieve the best oral health.

Payment for services is due at the time services are rendered.

We accept the following forms of payment: Check, Visa, MasterCard and Discover.

Your insurance policy is an agreement between you and your insurance company. We are happy to submit claims and necessary documentation to see that you receive the full benefits of your coverage. However, we cannot guarantee any estimated coverage. It is your responsibility to keep track of your annual maximum and available benefits. Ultimately, you are responsible for the full cost of treatment regardless of your insurance company's determination of coverage or acceptable fees.

Rescheduling Policy

Our practice is dedicated to quality care and exceptional service. Appointments are reserved exclusively for you. Our team spends an extensive amount of time preparing for your visit, and we often have waitlists for available appointment times. If you find that you must change your appointment, we request that you contact our office during our business hours (Mon-Thurs) and provide 48 business hours' notice so that we may accommodate others.

If proper notice is not received, a fee of $55 will be charged for your canceled appointment.
