SPECTACLE PRESCRIPTION WARRANTY

If you have any questions about your new glasses purchased at Moderne Eye Optometry, please schedule an appointment with our optician to verify the adjustment of the glasses and for further demonstration of the optics of specialty lenses. We do not verify glasses purchased elsewhere. The examining optometrist, at no additional cost, can verify your spectacle prescription within 60 days of the original eye examination. Thereafter a refraction fee will be charged.

CONTACT LENS PRESCRIPTIONS

A contact lens prescription will be provided to you at the conclusion of the exam only if you come to your appointment wearing your current lenses and bring your contact lens prescription or packaging (if we do not already have that information). A contact lens evaluation or refitting fee will be charged, as these services are not included in the general eye examination fee. By accepting contact lens trials, you agree that a follow-up visit is required to finalize a new contact lens material fitting. You will receive a copy of your contact lens prescription after appropriate follow-up visits have been completed. Contact lens prescriptions are valid for one year.

OPTICAL SERVICES

Optical services such as: optical center measurements, pupillary distance, dispensing/fitting of prescription glasses, frame adjustments, one-time prescription redo at no additional cost within 90 days of purchase, frame warranty, and some minor repairs are covered when you purchase your prescription and non-prescription glasses at Moderne Eye. If you want us to provide an adjustment for glasses purchased elsewhere, at your own risk, the charge is \$50 per eyeglass for an adjustment.

SPECTACLE FRAMES

New frames purchased at Moderne Eye Optometry are covered by lifetime adjustments, minor tune-ups/repairs, and are warranted by the frame manufacturer for **defects** up to 12 months after purchase date. Frames that are being reused or purchased elsewhere aka Patient's Own Frame (POF) are not guaranteed from any breakage or damage during the lens replacement process or frame adjustments. Frames purchased elsewhere will be charged a dispensing fee beginning at \$50 per frame. A signed release is required by the fabricating laboratory for POFs.

PAYMENT AND CANCELLATION POLICY

A no-show fee of \$75 will be assessed unless you cancel 48 hours in advance of scheduled appointment. Payment for materials and services are due when services are rendered. We require payment in full for materials in advance of processing an order (this includes all extra charges not covered by vision plans). If you choose to cancel your prescription spectacle or contact lens order after your payment has been made, a 50% cancellation fee will be charged to cover our optical and administrative services. Orders will not be placed without payment in advance. The costs of goods and services are cash prices. A processing charge of 3.75% will be added to all bank card transactions. The 3.75% is paid directly to credit card processors, not to Moderne Eye Optometry. Printed checks with an unexpired CDL, cash, or Zelle (ModEyeDocs@proton.me) are accepted as payment with no bank service fees. If you have any questions, please ask.
