Groupon Policy as of March 1, 2022

I understand that it is the policy of Severn River MediSpa & Laser Center that I can only use **ONE** Groupon voucher for discounted services within the practice every 18 months, as outlined within the fine print of each Groupon deal. This policy applies to vouchers purchased by the patient themselves and/or vouchers gifted to them from another individual. I understand that this policy is not specific to the service itself of the voucher used, but specific to receiving a service within the practice within the 18 month time frame.

I understand that if the office honors Groupon pricing paid within the office directly, that the 18 month policy still applies before I am eligible to purchase a Groupon discounted service or receive comparable pricing within the office.

I understand that the offices cancellation policy applies and that in the event I do not give 48 hours notice to cancel or reschedule, or simply do not show up to the appointment, that I will be charged a \$50 non-refundable fee.

Furthermore, I understand that I am eligible to purchase from their full menu option through Groupon at any time without the 18 month restriction.

By signing below, I acknowledge that I have read and fully understand the above policy.
