

What to Expect When Coming to the Office

1. Our staff's temperature will be taken each morning and documented. Temperature must be under 100.4 to work.
2. Our staff will be calling you to confirm your appointment and do prescreening questions, prior to your appointment. If we leave a message, please call prior to your appointment so that we may ask our questions before you get here.
3. When you arrive, we will go over the prescreening questions with you and take your temperature. Your temperature must be under 100.4 to be seen.
4. If you must bring any family members to your appointment, we will ask them to stay outside of the office unless they are medically necessary to help you.
5. If you have a mask, please wear it.
6. Only two people will be allowed in the reception area at a time.
7. You will be required to use hand sanitizer when entering the building.
8. You will be asked to rinse with a Peroxide mixture to minimize bacteria.
9. You will be asked to wash your hands before you sit in the dental chair and before you leave the room.
